

ART CLASSES for P1-P3 age group Aug-Oct 2019

Commencing Thursdays from 29th August – 10th October 2019, 3.30-4.45pm. (Please note there will be NO CLASS on 19th Sept)

£8.00 per session for a 6-week block, so £48 in total including all materials (15% discount for siblings). Payment in full should be made at the start of the block and I'm afraid I can't offer money back if your child can't manage for any reason as I have to buy the materials anyway.

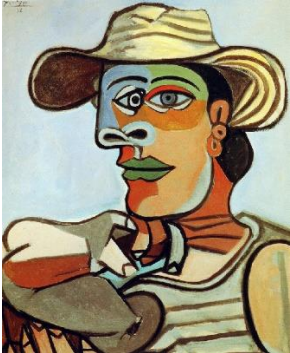

My bank details are Sort Code: 40-47-59 A/C: 78302103 if you want to pay by transfer, otherwise cash is fine or I have a card machine in the studio.

Course outline: This term we will be focusing on developing skills in figure observation and drawing, sculpture and using different materials. Artists we will learn about are Keith Haring, LS Lowry, Alberto Giacometti, Picasso & Andy Goldsworthy. Techniques we will learn about include observation, working in 3 dimensions with wire, plaster & leaves; oil pastels, collage and watercolour paint techniques.

All activities will be tailored to this age range and will push them but won't be too difficult.

Optional activity: I will be giving each child a sketchbook and a **FUN** drawing activity to take home each week. This is completely optional – I know how busy they are!
